

UOB Green Trade Financing, simplifying sustainability for business

How does UOB simplify sustainability?

We understand that integrating sustainability into your business strategy can be complex and companies are uncertain how to go about doing it.

This is why we have developed:

Insights and tools to equip you with the knowledge to make informed decisions

A fast and seamless process for you to access sustainable financing

Tailored solutions that simplify implementation of sustainable practices

Through Green Trade Financing, we simplify sustainability for you and set your business toward long-term success.

What does UOB Green Trade Financing do?

UOB Green Trade Financing helps businesses become a part of the green supply chain. We provide a clear and guided process to assess eligible green activities and recognise industry certifications within targeted sectors*.

Eligible companies in Singapore are availed short-term trade and working capital solutions. These trade facilities will support buyers and sellers by covering both import procurement as well as export sales, thereby opening up more business opportunities.

*The targeted sectors include Building Material Suppliers, Circular Inputs and Design, Climate Change Adaptation, Energy Efficiency, Green Transport, Material & Resource Recovery, Renewable Energy, Sustainable Aquaculture, Sustainable Palm Oil, Sustainable Water Management, Waste Management.

Visit www.uobgroup.com/sustainable-financing to view the full list of sectors.

Our trusted partnerships with government boards and our long-term commitment to clients, allow you to future-proof your business and tap on more opportunities.

A full suite of shorter-term trade and working capital facilities, tailored to your needs.

A wide spectrum of sectors are recognised, allowing for more businesses to be eligible for sustainable financing.

Capture new end-consumers or enhance sustainability credentials in the supply chain.

What are the necessary steps to qualify for UOB Green Trade Financing?

1

Are you eligible?

Firstly, you must fulfil one of these criteria:

- Company belongs to a 'green sector'.*
- Goods and services with 'eligible green certifications'.**

2

What's next if you are eligible?

- UOB will work through the guidelines set out in the framework with you.
- Together, we will align on green objectives.
- We will review the guiding principles for use of proceeds and required reporting.

3

When will the Green Trade Financing facilities be disbursed?

Once all the necessary documentation has been completed and approved, UOB will disburse the Green Trade Financing facilities to you.

4

What's next?

- You need to report on the use of funds and also the positive impact achieved.
- You must continue to adhere to representations and warranties as well as ensure the validity of certifications.

* Visit www.uobgroup.com/sustainable-financing to view the complete list of sectors.

** 'Green' certifications that are UOB-recognised and within scope of identified sectors.
